Sir:

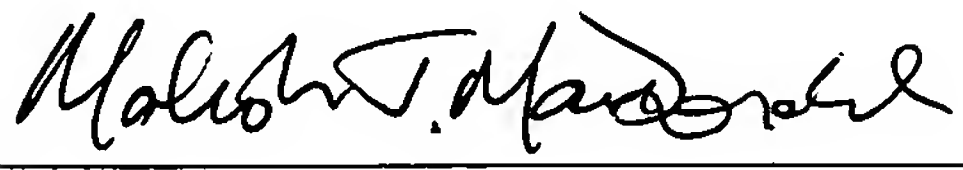

In response to the Notice to File Corrected Application Papers mailed on May 20, 2010, a copy of which is enclosed, submitted herewith is a replacement drawing sheet, wherein the figure legend in the replacement sheet filed on January 25, 2010, has been amended to recite "FIG. 1a" instead of "FIG. 1".

The specification clearly refers to FIG. 1a on pages 22 and 23, and the original drawing sheet for this figure also recited "FIG. 1a". An error in the figure numbering occurred when replacement drawing sheets were filed on January 25, 2010.

No new matter has been added by submission of the present replacement sheet.

Favorable action on this request is urged.

Respectfully submitted,
DENNISON, SCHULTZ & MACDONALD
